## NAME INDEX

**NOTE:** When both Polish and Hebrew/Yiddish names are given in the text, the transliteration from the Hebrew name is the main entry in this Index. The transliterated Polish name is in parentheses within the main entry. The Polish name also has a separate entry, with a "see" reference to the transliterated Hebrew/Yiddish name. We also have used "see also" references when appropriate. An asterisk following a woman's surname indicates it is her married name.
