

Kremenets Child Survivors of the Shoah

On a visit to the Jewish Historical Institute (JHI) in Warsaw in 2002, Yale Riesner gave me the surnames of six child survivors of the Shoah who were from Jewish families in Kremenets. The JHI is searching for them or their descendants. I promised to put the names on our website and in messages to JewishGen. For privacy reasons, he provided only surnames, not given names. The names are:

- Danuszewski
- Dugim
- Jung
- Kranc or Krant
- Keitelmacher
- Narcyz

If you have any information about these names, please contact me or send the information to the JHI.
