Dear KDRG Members, Associates & Colleagues,

I hope all is good with you and that the corona virus pandemic is not causing too much stress or inconvenience for you and your loved ones.

I'm writing because the time has come for me to step down as President of our Kremenets District Research Group (KDRG). In my place, our Board has unanimously approved appointment of Ellen Garshick as President. For the past two years, Ellen has been carrying out essentially all the duties of President and has been doing an excellent job. Her appointment is effective immediately. I will remain on the Board as President Emeritus and will continue contributing as much as I can to our activities.

Our Board will remain as it currently is, with the following Board members:

Enid Cherenson

Sandra Crystall

Ron Doctor

Ellen Garshick

Jeff Kaiser

Rachel Karni

Sheree Roth

Paul Silverstone

Susan Sobel

Richard Spector

Please contact me by e-mail (rddpdx@gmail.com) or phone (913-601-7502) if you have any questions or comments.

Best,

Ron
