Dear Kremenets district friends,

I'm pleased to announce a new Kremenets resource for your research, as well as an update to our [One-Step Concordance Search](#) Tool.

**Kremenets Tax Lists, 1906 and 1911:** These lists, originally in Russian, include the names of payers of the state housing tax in the City of Kremenets for the two years indicated. Each entry also lists the payer's patronymic, address, and (if the payer's home was owned by another individual) the homeowner, as well as the amount of tax paid. A translation of these lists is available on our [Contributors' Site](#), available to all those who have contributed cash or services.

**Updated [One-Step Concordance Search](#):** To search for your family names in the newly translated tax lists, as well as in our other resources, enter those names in our updated One-Step Concordance Search form, or [download an Excel version of the Concordance](#). This index of all personal name-town name combinations in our translated resources for the Kremenets district, Ukraine, now has more than 393,000 entries. The 15 town names that occur most often in the Concordance are Kremenets, Vishnevets, Radzivilov, Shumsk, Katerburg, Yampol, Ostrog, Vyshgorodok, Lanovtsy, Belozirka, Pochayev, Oleksinets, Berezhtsy, Rokhmanov, and Dubno.

And here's a reminder that many other resources are available to help you in your research. For a complete list, please see <https://kehilalinks.jewishgen.org/Kremenets/web-pages/all-resources.html>.
